A defensive player (not the goalie) is in the crease, and the puck is outside the crease. The player holds or grabs the puck, pulling the puck into her body that is in the crease. The play is stopped. State Official's decision. (Situation 1 Rule 10.3(c))

Correct

- ☐ Conduct faceoff at one of the end zone dots.
- ☐ Award a penalty shot as the puck was covered in the crease.
- ☒ Assess a minor penalty as the puck was initially grabbed outside the crease.
- ☐ Assess a minor penalty. However, if this occurs in the final two minutes (or overtime) then award a penalty shot.

A player skates backwards over the blue line with the puck; that player's skates clearly enter the zone before the puck does. Is the player offside? (Rule 10.8a Note 2)

Correct

- ☒ The player is not offside as he had possession and control of the puck.
- ☐ The player is offside as the skates entered the zone prior to the puck.

In which zones is a penalty shot assessed for throwing a stick at the puck carrier? (Rule 9.8a)

Correct

- ☐ If the stick thrower is in his or her defensive zone. The puck carrier (and puck) is some where else on the ice.
- ☐ Assess a penalty shot at any time that a stick is thrown at the puck carrier regardless of zone.
- ☐ If the puck carrier (and the puck) is in the neutral or defending zone of the stick thrower.
- ☒ If the puck carrier (and the puck) is in the defending zone of the stick thrower.

A goalie catches a puck then proceeds to drop kick the puck to a team mate in the neutral zone. What penalty(s) may be assessed, if any at all. (Rule 4.11f)

Correct

- ☒ Assess a Major and GM if an injury occurs to a player on the other team; A minor if no injury occurs.

- ☐ Assess a Major and GM if an injury occurs to a player on the other team; no penalty if no injury.

- ☐ This is legal. No penalty ever.

The goaltender is on the ice, but away from his goal crease. A player from the opposing team takes possession and control of the puck and shoots it towards the open goal. As the puck is about to enter the open goal a defending player knocks the goal of its mooring(s). Do you award a goal? (Situation 6 Rule 4.10c)

Correct

- ☐ Yes, the goalie was not in the net.
- ☒ No, the goalie is still on the ice. 
- ☐ No, a goal is only awarded if a stick was thrown by the defending team.

A player on a breakaway in the neutral or attacking zone is fouled from behind and the referee signals a penalty shot. Before the play is completed a second infraction is signaled against the same team, whether it be to the same player or a different player. The penalty shot is assessed for the first infraction (i.e. the foul from behind). Is the penalty for the second infraction still assessed? (Situation 14 Rule 4.9)

Correct

- ☐ Yes, if there is no goal scored on the penalty shot.
- ☒ Yes. The second penalty is always assessed. 
- ☐ No. The second penalty is not assessed because it happened after the penalty shot infraction.

State Official's decision. Team A changes the goalies during the play. (Situation 4 Rule 2.5b)

Correct

- ☐ Stop play immediately and assess an ineligible player penalty to the goalie coming off the bench.
- ☐ Assess a delayed penalty for ineligible player.
- ☒ Do not stop play, do not assess a penalty. This is fine so long as all rules governing line changes are followed. 
- ☐ Stop player under illegal substitution, make the goalies switch back and complete a face-off in the offending team's zone.
