

Hockey Canada Rule Changes, Additions, or Amendments for 2020-2021

This list is not meant to replace the rulebook, but to give you an easy reference of what has changed in the current rulebook for 2020 to 2022 seasons. Remember, the most up to date rulebook is in the resource section of wpgrefs.com. The page numbers in brackets represent the page number of the rule in the new HC rulebook.

This is a long list, but you should read all the changes. However, pay special attention to numbers 1, 9, 10, 13, 29, and 30. These six are bolded below and most likely to effect the average game.

1. **“Elbowing” is no longer a signal because elbowing is, by definition, head contact (pages 1-3).**
2. The Glossary includes new definitions for body contact, body checking, disrespectful behavior, and supplementary discipline (page 4-6).
3. Rule 3.1d was added to clarify the penalty for Junior/Senior players not using a tie-down during a fight (page 22).

9. **Rule 4.9h is about a time penalty being served after a penalty shot is awarded. The new wording clarify that if a penalty shot is awarded on an infraction that would normally result in a 4 minute penalty, then the penalty shot will be taken in lieu of the first two minutes. The second 2 minutes will be served regardless of whether a goal is scored on the penalty shot or not (page 53).**

13. **Changes to Kneeing**
 - a. **Rule 6.6 is now called “Kneeing” not “Elbowing and Kneeing” as Elbowing by definition is Head Contact; Elbowing no longer exists and**

should now be penalized with the appropriate Head Contact Penalty (page 85).

- b. Rule 6.6a now calls for Kneeing to be penalized by a 2+2 or a 5 + Game Misconduct. Previously, kneeling was a minor or 5 + Game Misconduct. Do not call a minor penalty for kneeling, kneeling is now a 2+2 or greater (page 85).**

14. Rule 6.7h added “goaltender” to the rule for clarity (page 86).

Hockey Winnipeg's "Special Rule" (SR) Changes, Additions, or Amendments for 2020-21

This list is not meant to replace the Hockey Winnipeg (HW) SR section of the rulebook, but to give you an easy reference of what has changed in the current HW rulebook for 2020-2021 season. Remember, the most up to date rulebook is in the resource section of wpgrefs.com. Each item's page number in brackets is the page number of the SR in the current HW rulebook.

1. SR-5, HW's Overtime has been modified (page 86). The changes include:
 - a. SR5, 1d: All playoff overtime will be played until someone wins.
 - b. SR5, 4b: In AA/AAA regular season overtime there is no changing at whistles. However, if a team calls a timeout in overtime then both teams may change.
2. SR-8, 4 (page 90): This SR focuses on a key holder being present at the gate to escort an ejected player to the dressing room. The new part of this SR is that a delay of game minor penalty may be assessed to the team if someone is slow arriving at the gate by accident and a Game Misconduct to the Head Coach if the delay is flagrant.
3. SR-9, 3 (page 91): The home team will wear dark and the visiting team will wear light colored jerseys.
4. SR-14, 2 (page 93): There is a change to the Mercy Rule. The 5 goals with less than 5 minutes is still in effect. The new part of the rule: if a team is winning by 7 goals or more at any point in the game then the clock will run unless the difference becomes less than 7 goals again.
5. SR-22 (page 95-96): This SR is brand new and explains that:
 - a. After an icing, if one team calls a time out then both teams may change their players.
 - b. If a time penalty is called at the same stoppage as an icing then both teams may change their lines.
 - c. In AAA & AA regular season overtime, where line changes at the whistle are not permitted, if a team ices the puck then the non-offending team may change players.
6. SR-23 (page 96): This SR is brand new. If the puck strikes the goalie in the head, then play shall be blown down immediately. However, if the puck hits the goalie's head then goes into the net then the goal is good. If the puck strikes the goalie's head, then hits the goalie again and goes in the net, the goal is good. If the puck hits the goalie's head then another player then goes in the net, the goal is washed out.
